Important: In order to compete in the All-City Track Meet on Friday, March 9, 2018, **each and every individual participant must submit an entry form and payment by Thursday, February 15, 2018.**

Although this is a recreational meet, we will be adhering to standard guidelines for running and judging track and field events. The focus of this meet is exposure and participation while enabling our exceptional athletes a chance to go further. Parents and participants are expected to demonstrate good sportsmanship throughout the meet. **Decision of the judge is FINAL.** No substitutes, alternates or changes are possible after entry form is submitted.

Uniforms and Equipment:

*All participants should wear some type of gym clothing. Shoes must be worn.

***No spikes, cleats or shoes with removable cleats,(even if worn without cleats) are allowed.**

*All equipment will be provided, including relay batons. Practice batons will not be available.

Awards: Medals will be awarded to 1st, 2nd, and 3rd places.

Competition Rules:

When a track or field event is called, the participant must report to the Clerk of the Course for the event. Participants who miss their call for their events may be scratched.

Track Events:

In the 50, 100 and 200 meter races the number of entries will determine whether heat races will be held prior to the finals. If heats are needed, the fastest 2 or 3 runners in each heat, depending on the number of entries, will qualify for the finals. In the 800 meter race, lanes can collapse after the start of the race. One false start is permitted per participant.

Relays:

You must form your relay team independently. Each member of the relay team must include all 4 names of team members on their registration form. Birth year of oldest child on the team will determine team division. **A relay team may be allowed to use up to 2 participants from any lower age division.**

Field Events:

Softball Throw, each participant will throw the ball three times and the longest throw will count.

Long Jump, each participant will get 1 practice run through and three recorded jumps. The longest jump will count.

High Jump is limited to 12 contestants in each division because of the length of time necessary to run the event. Each participant gets three chances to clear the bar at the starting height. The bar is then raised and each is given three attempts at the next height and so on. If a participant fails to clear the bar in three attempts, they are eliminated.

Awards are given to those who clear the bar at the highest level in the fewest attempts.

Future Meets:

This meet serves as a qualifying meet for the San Gabriel Valley Track Meet (Date: TBA). First and second place award winners in each event will be eligible to compete in the SGVMAA Meet. Information regarding advancement will be attached to the winner's medal. In order to advance, you will need to submit the SGVMAA entry form AND verification of birth. Verification of birth will only be met by providing a copy of one of the following: Birth Certificate OR Green Card/Passport OR School Principal's letter of verification of child's birth (on school letterhead and signed by the principal) with the birth date listed next to the child's name.
